## December Featured Member

**Nivare'**

**December Featured Member is Nivare'.** I'm honored to be a part of Mountain Spirit Co-Op and blessed to have my own shop "Calling In The Light." I am having a Grand Opening Saturday, December 12<sup>th</sup> from 3pm to 6pm. There will be \$1 raffle tickets sold for a special item to be raffled off every Saturday in December plus the free raffle on the 4th Friday Night Art Walk! This Holiday Season the shop will offer for sale my collection of Antique Victorian Christmas Ornaments, Feather trees & Holiday items that have been on exhibit at a Museum in North Carolina.

As for myself, I'm grateful to now be offering sessions with my unique energy and diverse array of healing tools for people and/or animal companions to assist them in creating their own personalized healing and self-empowerment. Also I am now offering sessions with the "Body Enhancer," an electro-therapy body-detoxing machine, followed by briefly sitting on an ionic ring formation to release any excess electricity from the body. And of course, there is always available the Egyptian Chair for you to sit on and rebalance your chakras. Calling In The Light offers for sale a collection of uncommon healing tools, objects, oils, elixirs & mists for personalized healing & self-empowerment. There is a beautiful assortment of eclectic jewelry, antique to contemporary, along with Ancient, Oriental & Indigenous Cultural Arts & Remembrances. During the beginning of the New Year I will be introducing my own line of jewelry and art work for sale. Visit Calling In The Light Thurs.-Sat 11am-6pm, Sun. 11am-3pm. By Chance or Appointment Mon.-Wed. (928) 856-2823. 104C

## January Featured Member

**Pandora Pillsbury**

**January Featured Member is Pandora Pillsbury.** Pandora is a self-taught professional artist, intuitive, energy worker, writer, and mom to two wonderful adult children. My dance with the Divine and art began over 25 years ago when a door between my "regular" art and spirit art blasted open in 1988. Unexpected, beautiful, a little freaky, and oh so "normal," well, for me anyway. My companions on this journey became angels, spirits, Ascended Masters, Cosmic and Galactic beings, elementals, and of course, my friends and family here in physical form. My sketchbooks are now, more often than not, a communication tool between myself and the Divine. I record (automatically) images of spirits, prophecy and healing. Truthfully I am never sure what will show up but it's always perfect for the time.

I am a trained SMDH Master (now called New Paradigm Healing), an energy healing modality that felt like home to me. Each session is unique to you, the individual, tailored to your needs, be they physical, emotional, spiritual, etc. And yes, there is an "etc." involved. As unlimited beings we are all healing our core challenges individually and in a planetary way. The Divine Feminine, Gaia (Mother Earth) and our Galactic family are consistently showing up in sessions for people but that is just the tip of the beautiful healing grid covering the planet now.

Pandora can be reached at (928) 231-2704, or via email: [pandora@pandorapillsbury.com](mailto:pandora@pandorapillsbury.com). Her website is [pandorapillsbury.com](http://pandorapillsbury.com), and she works at Mountain Spirit Co-Op on Mondays or by appointment.

### Lovingly Through Nivare'

As I asked What would be for the highest good for those who read this newsletter to know, I heard "it was the best of times, it was the worst of times". A familiar quote from Dickens', Tale of Two Cities. Then I was impressed to read the whole sentence. "It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we had nothing before us, we were all going direct to Heaven, we were all going direct the other way" in short, the period was so far like the present period, that some of its noisiest authorities insisted on its being received, for good or for evil, in the superlative degree of comparison only." Then I realized there was a reason for this.

"My Children it may appear that what was written over a decade ago, was written for the times that are upon us now too - the duality may be appearing greater in ways as your world is changing. This is a time to know your truth and rise above that, which may seem as a dichotomy. To rise above is to know all is as one, that the understanding of both aspects, create the whole of what is as one without separation, which My Dear Ones, would not understand without knowing the difference. How could you know how much I love you if you never knew what separation and lack of that love was? To know your own truth and trust yourself is being authentic in knowing who you are of me. One may choose to align themselves to either side of a duality, yet it is not until both sides and the middle in between are understood and realized that they are aspects of a singularity you may rise above. Had it not been for this separation one would not greater understand the whole of all that I Am and who you are as Me. As this world appears to be becoming greater in imbalance it is becoming rebalanced. As those who choose to see what appears to be the separation of the duality more, love - hate, peace - chaos, happy -sad with their opinions and judgments, they are being shown in greater format, not in subtle forms anymore. It is in this that one may see more clearly the separation and choose to see it as one, part of the whole. For some this may seem confusing, how may seemingly two opposites be as one? Life and emotions are in greater colors than a rainbow yet they are all part of life. A drop of water is still part of the ocean whether it comes from the sky or the mountain they just come to the ocean differently.

Like the drop of rain you are of me, like each separate cell of your brain, each cell is part of the brain like you are of me. Love is the key and the way to rise above the duality - it is with this all else falls away. Know You are loved beyond what you may conceive of love at this time. The Now is here to open your hearts and accept My Love, know your are and always have been of Love even while you have cloaked yourself in other than Love - this is what you truly were created in and made of. Look within your eyes in a mirror and look in each other's eyes to see me and feel the love within each other, look within all others even those who appear on one side or another of duality and see me within as Love. It is only the matter of knowingness of My Love that may separate you now. I Am With You Always As You Are Of Me.

### Angel Blessings

Dear Ones,

Today we speak of intention. Each morning as you are starting to awaken, before you have even set your foot on the floor, set the intention you will have a wonderful day. As you think this bring a smile to your face knowing you'll have a wonder filled day.

As you are going about your day, think of your intention often.

If you find yourself in a situation where you may not be feeling it's as wonderful as you would have liked, do something different. You may also want to think of something that is wonderful that has already happened. That is your choice.

When you find yourself having a wonderful day as you stated in your morning intention, say thank you. Look at all of the things that are turning out wonderful and fabulous and filled with joy throughout your day.

As you are winding down and have crawled into bed, acknowledge the day you had, all of the wonderful things that happened. Also acknowledge the things you may not deem as wonderful. Acknowledge them for being a part of your day whatever they were.

And as you are closing your eyes, give thanks and set the intention you will sleep restfully all night through waking in the morning refreshed.

You choose your intention in the morning, you choose your thoughts throughout the day and you set your intention for the night.

We are here to assist in anyway we can. We love you.
