February Featured Member is Kathleen Graham.

Kathleen is a naturally gifted psychic, spiritual teacher, and multi-dimensional artist, from a long Celtic line of intuitive and sensitive people. With her pragmatic, down-to-earth style, love & compassion when needed, and a good dose of humor (her guides can be regular comedians!), she works primarily with your guides & angels of light to assist you with whatever questions you may have.

Here are some samples of what Kathleen has assisted clients with over the last several years: readings for guidance on life choices or situations that are unclear, proper placement of items in your home to encourage prosperity & abundance, the right partnership or romance, and optimum health, remote viewing of a home you may be considering for purchase--a sort of "psychic home inspection," and integrating & translating your spiritually based business into terms the public will understand and appreciate!

A veteran of over 20 years experience in corporate management, Kathleen also channels, and then creates, magical multi-dimensional art pieces that are tools for transformation, healing, prosperity, peace, or practically anything you can think of. Her latest offering is a "Fountain of Youth" pendant, which contains regeneration energies from Arcturus, & will synchronize with the body's own energies, transmitting frequencies of youth to the physical body! The source of the energies brought through into all of these pieces varies within the 26 galaxies that are participating in Earth's ascension process.

You can find Kathleen at the Co-Op most Saturdays from 10am to 4pm, (readings are \$40/30 minutes) and on the web at: FrequencyFormulationTechnologies.com.

Sue Broome

March Featured Member is Sue Broome. I have recently joined Mountain Spirit Co-Op as a member, after being an extended member for almost 2 years. I love the family I have found at the Co-Op and am very excited about being here on a regular basis. I have been working with my intuition and Angels, for many years. Two of my favorite lines are **Calling all Angels** and **Angels, Angels Everywhere!!** They work every time!

In readings I typically will use Angel Cards. The pictures will many times speak volumes to the person receiving the reading, though there are times the words just come out and they don't necessarily match the picture. That's just how the Divine works.

A "Healing with the Angels" session is a blend of several healing modalities, and are each Divinely guided. You may feel relaxed, energized or notice a total transformation. Each is individual for you, for that particular time. Channel Writings are fun and I will go into a meditative state, hands on the keyboard and allow the words to come through. These may be messages from your Angels, Spirit Guides or Loved Ones.

Along with that I do two inspirational blogs per week. Message From the Angels (a channeled message) comes on Thursdays and may be available on the MSCO blog page as well as on my website.

Sue is available for readings or energy healing sessions Friday afternoons at MSCO or by appointment. Sue's contact info: Empowerment4You.com (SueBroome.com), su.broome@gmail.com, (608) 239-9026.

From Sue Broome:

Message From the Angels 12116

Dear Ones,
See beyond the mist. Notice what you haven't seen before for it is there before your eyes. See the mist, notice the mist, acknowledge it and allow it to simply fade away.

Beyond the mist, the noise, the coverup of yesterday is the knowing of tomorrow. You have looked at the mist as something covering things up, hiding things from you and yet it was nurturing and nourishing what wasn't ready yet. The time has come, the time is now. See beyond and what do you notice? There is so much there, just waiting to come fully into being.

What's beyond the mist in your life? Yours is much different than another's. You'll know when the timing is right.

We are here to assist you. Just ask.

~ Your Angels ~

Shadowsapes Tarot: The Hanged Man Rx

From Martha Reed:

The Tarot Card of the Day is the Hanged Man Rx (reversed). The message is: You have stepped back from whatever is bothering you and now you see things from a different perspective. A wise move but now it's time to act on the new insight you've found. It won't go away by itself. Namaste.

From Nivare':

"Let us begin at the beginning of all creation when My Love Created All That Is. Each and every one of you reading this is no different in the way that all have been created in Love & with Love. Every cell of your body

holds the living essence of Love one may come to know as it is activated. There is not a thing that does not hold an essence of Love for it is of what I Am and what all I have created Is made with. Remember too as my creations in flesh, you have the ability to be conscious creators from the heart with Love as you remember who you truly are and consciously become the love and light you hold within."

Momma Jackie in Nivare's Chakra Chair!

"Love" the word has gathered so many belief systems surrounding and attached to it that the mere concept for many has become an unobtainable cliché of a love song or other forms of communication of this word. My Dear Ones, how would you best know my Love without the separation from it and in the various forms of contrast one may hold to be able to at last Behold Love's Purity beyond the hindrance of unconscious emotions."
"Your gift of free will of love in regards to everything, including separation from Me, is your choice to see and experience different possibilities of love with whatever you have placed a name on and is just the growth of

perception in free will. Rejoice in the possibilities of such freedom to know Love's Purity and all it's aspects that you are. There is always the choice of free will to look upon your life with new eyes, to look upon your life with Me as I see your life with Love and in love. The choice is yours to embrace the love that you are and to truly know and be that which you have been created in and with. I Love You and as you love yourself more and embrace yourself in the love you were created in your world shall change and you shall know who you truly are and I AM." Lovingly, Nivare'
