## June Featured Member Gertie Miles

Many of our Prescott residence know **Gertie** as she has been one of the locals for a long time. She is a well-known medium, clairvoyant/clairaudient who has lived in Prescott for twenty-five years and has been coming here for thirty years. Gertie taught Spiritual Development classes at Yavapai College for fourteen years. She and her friend also had a local TV show which can still be found on U-Tube called “That’s what I’m talking about” and wrote a book “The Birth of a New Consciousness” One Woman’s Spiritual Journey. She had a radio show through the Arizona Republic and wrote a Magazine column. She has as many long distance clients as she has in person, some as far away as Ireland and Dubai. When asked how she can do that she simply states, she is an instrument “of my own self I do nothing.”

She has been a minister since 1982 and loves to facilitate weddings. Before doing her soul work she did many entrepreneurial things including a small coffee house, retail shops, a psychic dating service, etc. She raised her children on the income of being a sales trainer selling medical supplies for many years. Gertie feels blessed to have made the leap from mainstream to doing what her heart and Soul needs to do in this lifetime, and that is to be of service. She has traveled quit a bit and her last back packing trip was to India where she spent some time at Sai Babas complex. One of his favorite sayings she would like to end with is, “ Hurt Never-Help Ever.” **Gertie** can be reached for an appointment at 928.771.9496.

Since then, He has been freelancing custom graphic design services, making jewelry and hand crafting one of a kind prints, paintings and creations.

Lora gave birth to three beautiful children who are incredibly insightful, talented and intuitive. They sing, write and create uniquely inspired gifts. Over the years Lora has created countless custom floral designs and decorated some amazing homes.
