**Sherrina Johnson** may be new to the Co-Op but she is no stranger to energy and sound therapy. For the past 10 years she has utilized sound and energy work on friends and family while in the military, completed her Master's degree, and working on licensure as a therapist. As she is branching out into the community, she brings these wonderful skill sets to our family along with her compassion and friendship.

**Sherrina's** modality for energy therapy is through Healing Touch Program which is the only accredited energy program in the nation. Utilizing structure and intention, its roots began in hospitals within nursing but quickly grew to where the foundation is currently working on accepting insurance. In certain areas it is even practiced and accepted within military bases and veteran's administrations.

Sound therapy is such a fun adventure for **Sherrina** not only in the promotion of healing, but to have fun and enjoy the music too. If you have been in her healing room, you'll have seen a variety of cool instruments to play with like gongs, crystal singing bowls, tuning forks, Tibetan singing bowls, tingsha cymbals, and bells. Each of these provides different frequencies to help the body, mind, and spirit raise to a higher vibration.

To experience energy and sound therapy, contact **Sherrina** at [sj86303@gmail.com](mailto:sj86303@gmail.com) and 928.925.2993 or catch her in person open for walk-ins Tuesdays and Wednesdays from 10am - 6pm and Fridays from 2-6pm. 104C

### Desire: A Sense of Belonging

All my life I searched. Since childhood, never experiencing a place where I felt safe to fit in, until the opening of Mountain Spirit Co-Op November 9<sup>th</sup>, 2005. After healing myself from bladder cancer with my metaphysics, acupuncture, Chinese herbs and some western herbs I heard the message one evening, prior to teaching a class in metaphysics, "It's time to open the Co-Op" and three WEEKS later a group of amazing co-founders opened the doors of MSCO. Thousands have walked through our doors seeking and finding the solace I was looking for all my life. It has been a great honor and tremendous joy to work with hundreds of members, clients and friends over the years. We have all grown so much by taking responsibility for our lives and learning to create and allow more happiness and joy in our lives. So many of us becoming more of our truer selves.

Walk-ins welcome

Though I feel completely blessed to have been a part of so much here, I realize there is so much more to the vision I had. And as incredible as these last 11 years have been I truly feel the the next 11 will be even more so. I want to take this time and space to say thank you. Thank you for ever member who has spent time with us, every client who has sought help, to all those who have supported us, and to all of our families who have stuck by us in the good times and the bad. It wouldn't have been the same without you and I am grateful for all the lessons learned and all the help received.

I wish us all the best in our future, MSCO and all those who make it a place where transformation happens with responsibility, grace, dignity and with the ease of the intricacy. ~Dana
