Yvonne Inman was gifted with the 3C's clairvoyant, clairaudient, and clairsentient, as well as healing touch. At a young age she discovered that if she laid her hands on a loved ones painful area, pain would cease, giving her the nickname "little healer". **Yvonne** amplified her healing gifts when she became a certified Reiki Master. She implemented this wonderful healing energy in her seated energy class for Cardiac Pulmonary Rehab at Yavapai Regional Medical Center for 10 years. Working in the healthcare system has given me new perspective and respect for natural health, mind, body and spirit. Utilizing these gifts and having an empathic ear has brought clarity and has given hope to many of her family, friends and clients. Yvonne is continuing to learn more ways to connect to the spiritual realm, Mother Earth, God and the Universe.

Yvonne is also a gifted tarot card reader. For the past three years she has been a patron and visitor of Mountain Spirit Co-Op, sometimes to just soak up the loving ambient energy. She feels honored and blessed to be given the opportunity to share her gifts with such a loving environment.

Yvonne is available at MSCO on Sundays, Mondays & Fridays and by appointment. You can reach her at 928.830.4354 or GypsyDragonflies@gmail.com

Dr. Lindsay J. Martin, ND, Licensed Naturopathic Doctor

My motivation to study alternative medicines stemmed from my own health struggles.

At nine months, I developed terrible eczema. As a toddler, I struggled with unwarranted anger that came on suddenly and violently. At age 16, depression accompanied the anger. I did my best to palliate it with exercise, journaling and even counseling. I eventually tried several prescription medications without relief. In my mid-20's, I was diagnosed with a form of bipolar disorder. This was the most crippling of my conditions; my life spiraled out of control each month to manic episodes and depression. This continued for several years. Additionally, I suffered from thyroid disease, digestive issues, and cystic acne. While searching for answers, I was introduced to many different types of alternative medicine after conventional medicine had nothing left to offer. Each treatment helped a little more but never entirely resolved my concerns. I finally decided to see a Naturopathic Doctor that specialized in classical homeopathy. Within a month of

treatment, I felt a difference; my moods began to stabilize and my skin and thyroid labs improved. Currently, I no longer have bipolar disorder, eczema, digestive issues or violent anger. This means no medicine (natural or otherwise) needed to maintain or palliate these conditions. Our bodies are capable of so much more than we realize! Classical homeopathy is now the focal point of my practice. With it, it's possible to break free from the obstacles hindering your health potential--there is hope! We at Mountain Spirit Co-Op are honored to serve as a transformational healing center. With all that is going on in our world today, here is an article that one of our members, **Shira Zerner** would like to share.

~ A Listening Ear ~

She walked into the Co-Op and within seconds burst into tears. I walked over, gave her a hug and just held her as she sobbed uncontrollably, venting her feelings about the election results. After a minute or so had passed I walked her over to the chairs and listened as she continued to share her fear, anger, disgust, shock, outrage and despair. I encouraged her to keep saying more, to let it all go and, after a few more minutes passed, she seemed to have run out of steam.
